Conference Title: VAST 2011

Conference Dates: October 23-28, 2011

As author\* (or one of the authors) of the above paper, I grant IEEE royalty-free, non-exclusive permission to use my presentation materials and/or supplemental documents for my above conference paper to be used and archived by IEEE, including but not limited to, the IEEE VGTC online community. I warrant that if the presentation materials include works of other individuals or organizations, I have the necessary permissions and/or licenses (or will have permission and/or licenses prior to my presentation at the above stated conference) to allow for inclusion of any copyrighted material to be archived and used by IEEE.

☒ Yes ☐

Furthermore, I grant IEEE permission to record video and audio of my presentation for online use and as an archival record of the above stated conference.

☒ Yes ☐

In addition, I will provide my presentation slides to an IEEE VGTC representative, also for online use and as an archival record of the above stated conference.

☒ Yes ☐

I also grant IEEE permission to use my presentational material for promotional use for future years of the above stated conference or for promoting the Visualization and Graphics technical Committee (VGTC), and that such materials, in their original forms and/or modified forms, may be incorporated in any and all promotional media, including, without limitation, posters, brochures, or other merchandise, computer software, online computer services, and any and all other mechanical or electronic means, methods, or devices now known or hereafter created, in connection with such promotion and publicity by IEEE.

☒ Yes ☐

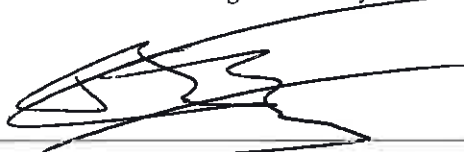

Any copyrights to the presentation and/or supplemental material will, however, be retained by me or my employer. Full credit will be given to me or my employer whenever the video, audio, or slides are used.

My signature below (or that of someone authorized to sign on behalf of my employer) signifies that I/we have read this agreement, and I/we have the necessary rights, permissions, and/or licenses to grant IEEE these rights.

This permission agreement must be received in order for your material to be posted online. If we do not receive your signed permission agreement, your presentation video, audio and/or slides cannot appear in the IEEE Visual Graphics Technical Committee (VGTC) online community.

This agreement is a legal document. It explains the uses IEEE makes of presentational material and requires you to acknowledge that you have the rights to use this material. This may involve seeking clearance from your employer or from others who have loaned you material, such as videotapes and slides. The agreement helps prevent situations whereby IEEE sponsored presentations include material without permission that might lead to complaints or even legal action.

This agreement is separate from the IEEE Copyright Form, which must be filed with each camera-ready submission. This agreement does not cover your camera-ready submission or all other supplementary material that was submitted by you for inclusion in the IEEE Digital Library.
